A Final Message from Supervisor Knabe

Dear Friends,

Well, this is it. After 20 years representing the Fourth District as Supervisor, this is my final week in office. It's been the honor of my life to serve the 10 million residents of Los Angeles County. I appreciate all your support, your votes, your friendship and your ongoing commitment to me and to the whole Fourth District over the last 35 years.

As Teddy Roosevelt once said, "Life's greatest gift is the opportunity to work hard at work worth doing." The people who receive our services are often those at the end of their rope or have nowhere else to turn.

FW: Thank you

It's been an incredible ride. From the bottom of my heart, [thank you](#).

Sincerely,

Don

FW: Thank you

With my time as Supervisor coming to an end, people are asking me what my plans are after I retire from public office. Here's a fun [video](#) we created for my State of the County address earlier this year. It gives you glimpse at what my life will be like as a private citizen.

A Note From the Fourth District Staff

 [Image removed by sender.](#)

Throughout Supervisor Knabe's nearly 35 years of service to the Fourth District, many of us have been by his side every step of the way. Actually, one of us (Gail LeGros!) welcomed Supervisor Knabe to the Fourth District when he showed up for his first day of work as former Supervisor Deane Dana's Chief of Staff in 1982.

It's been an absolute honor to work along side him and make the lives of our constituents better. Whether it was trying to improve the economy and create jobs, protecting our most vulnerable children from abandonment, or working to build and restore libraries, Supervisor Knabe's legacy is that of a problem solver. If there was an issue, he did everything he could to fix it.

It doesn't matter if you know him personally or if you've only read his name in the newspaper, his work and passion have made an impact on our world. In honor of Supervisor Knabe's retirement, we created this [video](#) as a way to say "thank you" and capture the moments in his career that inspired us and impacted the communities he represents.
